Professional Experience

G. Fazio Construction Co. Inc. - Maspeth, NY (1987 to Present)

Owner / President

Founded company and operated as a small General Contractor. The company progressed from performing residential and commercial renovations to larger new construction type projects. The Company has grown step by step and is now performing large construction projects from inception valued anywhere from \$100,000 to \$20,000,000. Our specialties are building new churches, school renovations, new nursing homes, nursing home renovations, new commercial construction and working in occupied spaces. My duties include overseeing all operations of the company both in office and on field.

Olympia & York -

New York, New York (1984 to 1987)

Assistant Supervisor

Duties included complete supervision of all structural steel and structural concrete installations. In charge of keeping labor log and also managed some tenant work installations. Worked solely on World Financial Center (Building A).

Fazio Furniture Co. -

Forest Hills, New York (1976 to 1987)

Sales Manager

- Worked in family business as a young man with my father. Learned to become an experienced cabinet maker and carpenter. Duties included working in retail sales, assisting in shop fabrication and delivery of complete items.

-Pratt Institute

Brooklyn, NY (1981 to 1985)

Bachelor of Professional Studies (with Honors) in Construction Management.
